

FFA OFFICERS of the Meridian High school chapter are shown here, (left to right, seated), Ray Miller, treasurer; Jim Niemann, vice president; Harold Wehrman, president; Lavoir Banks, secretary, and Earl Davis, reporter. First semester office holders

(standing), are Raymond Lane, sentinel; LeRoy Bentzinger, vice president; Doran A. Peterson, class instructor; Claire Biesecker, secretary and second term sentinel, and Don Jasica. Wehrman was named president both semesters.

Meridian School FFA Members Plan Program

MERIDIAN (Special)—A wide program of activity is planned for the spring semester by members of the Meridian high school chapter of Future Farmers of America, Doran A. Peterson, agriculture instructor and chapter sponsor, announced Tuesday.

Highlighting the spring program will be a livestock exhibition to be presented in Meridian by FFA members. Each boy will fit and show an animal from his vocational agriculture project. In addition the chapter plans representation in the annual Meridian dairy show to be held in June.

Judging teams are being organized for entry in all judging meets in this district. The chapter will conduct a rodent eradication drive and participate in a statewide FFA reporters' contest, and a father and son banquet to be held at the close of the term. The group plans a joint party and dance to be co-sponsored by the high school Future Homemakers of America chapter.

Reviewing last semester's activities, Peterson said the chapter sponsored a crop display and the annual high school harvest ball. Members conducted daily clean-up tours at Boise Fairgrounds during the 1949 Western Idaho State fair.

Last semester the chapter initiated 25 "greenhand" members, five of whom have since advanced to farmer degree standing, Peterson said.
