## GRADING SYSTEM

- |                   |                            |
|-------------------|----------------------------|
| 1—Special Ability | 4—Below Average but trying |
| 2—Above Average   | 5—Too Difficult            |
| 3—Average         | 6—Failing                  |

Grade 1 is attained by very few pupils, and when given, indicates exceptional ability.

Grade 2 represents work above average and of definite ability.

Grade 3 indicates average ability and is given to the large group of dependable pupils who do average work.

Grade 4 is given when minimum requirements are met.

Grade 5 is evidence that the work is too difficult.

Grade 6 is complete failure.

## TO PARENTS:

Please read this report carefully before signing. Through the cooperation of the parents we may achieve the results we seek.

This card gives a report of some mental attitudes of your child, as well as subject progress.

Healthy emotional and moral life, reverence, high ideals, a sense of fair play, a desire to complete whatever is started, are of more value than mere book knowledge.
